Our Mission and Vision

MISSION STATEMENT

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

VISION STATEMENT

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Appreciation / Celebration

Compass Chronicle

Online High School | Winter 2019

Happy New Year!

As we reflect on 2018 and look forward to 2019, I am reminded of our theme for this upcoming year: possibility. This year will include many opportunities to encourage our scholars to recommit to their education, participate in unique experiences, and explore all possibilities as they strive for excellence at Compass.

Sincerely,

Janae Smith, High School Coordinator

Computer Loan Info

Compass Charter Schools (CCS) provides computers for loan to families currently enrolled in Compass Charter Schools Online Program. (Options Scholars please reach out to your Educational Facilitator.)

Please fill out the forms below and email them to computers@compasscharters.org or Fax (805)590-7077.

For safety of our equipment we prefer to ship to a business address. When filling out the form please provide a business address if you have one. If you do not have a business address, we will ship to a FedEx location closest to the address you provide on the form. You will need to pick up the package from that location. You will receive an email from FedEx with tracking information so you can track the shipments departure and arrival. You will have 5 days to pick up the package before it is returned. Returned packages will be shipped to the next scholar and you will have to reapply for a loaner computer.

[Computer Loan Form 2018-2019](#)

COMPUTER RETURN

If you wish to return a computer to Compass Please fill out the form below and send it with the computer to the following address.

Please note: All non-returning scholars must return their computer at the end of the year, or within 10 days of withdrawing. **Failure to return the computer/equipment will result in a charge of the value of the computer and/or your file will be referred to our attorney for possible legal action.**

Technical Support

We will be using ZoHo Helpdesk! All staff and scholars with IT-related questions and issues will need to submit a ticket through this new system.

The Helpdesk uses an online fillable form, and once submitted, notifies the IT Department of the ticket. This enables our team to respond to items quickly, track tickets, and pinpoint common issues that are being submitted. Once the ticket has been submitted, the sender will receive a confirmation email, including notifications as actions are taken to resolve reported issues. Once the issue is resolved, the sender will receive notification that the ticket has been closed.

We will no longer use the support@compasscharters.org account (though will monitor over the next few weeks as we adjust to this new process).

Note: No action required. This form is to be filled by parents only.

Activity Log - Week of January 28-30, 2019

Student Name *

Select Child ▼

For your Daily Subject Log, please select each of the subject areas that your scholar worked on for that day. Examples include reading for class, working on an assignment for class, researching for an assignment for class, etc. This is meant to show the educational activities occurring daily so that your scholar is marked present for the indicated school day. This may also include attending a school sponsored field trip and/or participating in state testing. If your scholar was sick or absent, please be sure to select the appropriate box and provide a signed doctor's note to your scholar's Supervising Teacher in order to excuse the absence.

For your Daily PE Log, please enter the number of minutes your scholar participated in physical activity for that day. Examples include running, walking, riding a bike, etc. This is meant to show the physical activity occurring daily. The minutes required per grade level each week are:

K-5: 100 minutes

6-12: 200 minutes

*NOTE - the Daily PE Log is not required for online middle and high school scholars.
